

Tech CU Mortgage Loan Officer NMLS ID Numbers

The **Secure and Fair Enforcement for Mortgage Licensing Act (SAFE Act)** is designed to enhance consumer protection and reduce fraud by requiring a nationwide registration system for mortgage loan originators (MLO). Each mortgage loan originator obtains a unique identifier from the **National Mortgage Licensing System and Registry (NMLS)**. This information will allow a consumer applying for a mortgage loan to verify the MLO is properly registered and obtain basic information about the MLO regarding their past history in this area.
