Billing Rights: Information on your rights to dispute transactions and how to exercise those rights is provided in your Cardholder Agreement.

*We add a margin to the Prime Rate to determine variable APRs. We use the highest Prime Rate listed in The Wall Street Journal on the last business day of the calendar month prior to your statement closing date (for example, if your statement closed on March 15, we would use the Prime Rate in effect on February 28 for your current statement period that covers February 16 – March 15 period). APRs shown here are based on the 5.50% Prime Rate in effect on February 1, 2019. For each billing period, the APR is determined by adding a margin to the Prime Rate. The margin for the APR for Purchases and Balance Transfers is 9.74% to 19.74%, based on your creditworthiness and for Cash Advances is 18.74% to 21.74%.

To process the Application, we must have your name, street address, date of birth and other identifying information, and we may ask for identifying documents from you as well.

After approval, each applicant shall have the right to use this account to the extent of the credit limit set by the creditor and each applicant may be liable for the amount extended under this account to any joint applicant. Delaware Residents: Service charges not in excess of those permitted by law will be charged on the outstanding balances from month to month.
